

**APPLICATION TO PAVE OR REPAVE HIGHWAYS
AT PRIVATE COST**

Anywhere February 16, 2011

Commissioner,
Department of Streets
Room 555, Municipal Services Building
Anywhere, USA 12346

Dear Sir:

The undersigned, owners of all property abutting both sides of Mockingbird Place from Mockingbird Place to Cardinal Way respectfully make application for the preparation of a contract to pave the said highway in accordance with the attached proposal and specifications under the terms and conditions of the provisions of Section 11-504 of the Code of General Ordinances authorizing the Commissioner of the Department of Streets to enter into contracts to pave or repave highways at private cost.

We propose that this work shall be done by Brady & Company address 9876 Medina Ave Anywhere, USA 12345 at the included prices. We agree to all the terms and conditions of said Code of General Ordinances, which provides as follows:

SECTION 11-504 ROADWAY PAVING AND REPAVING AT PRIVATE REQUEST

- (1) When requested by the owner of property and deemed by the Department of Streets

to be in the best interest of the City, the Department is authorized to enter into a contract for the paving or repaving of the street in front of the property of such owner, under the following conditions:

- (a) all such work shall be done at the sole cost of the owner of the property;
- (b) all such work shall be done under the direction and supervision and to the satisfaction of the Department of Streets;
- (c) all contracts for such work shall be prepared by the Law Department and shall contain the usual requirements of contracts for City paving;
- (d) all contracts for such work shall require that a bond satisfactory to the Law Department first be filed by the paving contractor, guaranteeing to keep the paving in good repair for five (5) years after the work is completed and accepted by the City; and
- (e) all provisions of this Chapter regarding prior completion of sub-surface installations, including water pipes, sewers, underdrainage, and utilities, shall be complied with.

Herewith are all of the necessary certificates as to the highway in question being upon the confirmed plan of the City and legally opened to its full width as a public highway. We agree to notify and to obtain clearances from all City Departments and the public and private utilities who may require underground installations prior to construction. We further agree that said work shall be done in strict accordance with standard drawings and specifications of the Department of Streets.
