Streets Department Announces Street Improvement for the Week of April 8th
Temporary, Full Street Closures and Parking Restrictions Expected

PHILADELPHIA – Streets Commissioner Carlton Williams announced today that street improvement work will occur in the Northwest and lower Northeast sections of the city during the week of April 8th. The work schedule includes temporary, full street closures and parking restrictions. Weather or special events in the area may alter the work schedule.

Work will be completed in separate phases – milling and adjusting of manhole covers and resetting of utility boxes – which will take place in separate activities over the course of the week. Street improvement work is related to the initial phase of the City’s street resurfacing program. Operations for the milling work will be performed during the day hours, between 7AM and 4PM. Milling of each street segment is expected to last approximately 1-2 days per street. Work for adjusting of manhole covers and resetting of utility boxes will be scheduled during the day between the hours of 7AM and 4PM and is expected to last approximately 1-2 days per street. Schedule of operations for the final asphalt resurfacing on these streets will be announced via a separate press release.

To complete the work, residents should expect parking restrictions. Temporary 'No Parking' signs will be posted in advance of each scheduled activity. Residents are urged to move their cars from the work sites when temporary 'No Parking' signs are posted, so that vehicles are not towed. In the event a car is towed, please contact your local Police District to determine its location. Motorists are advised to allow extra time when traveling around the work areas.

While the Streets Department will make every effort to minimize disruption to traffic, citizens are urged to plan ahead and use alternative routes when traveling in these areas. The Streets Department thanks citizens in advance for their patience and cooperation as we work to improve city streets.
